I love the sound water makes when it is moving in a fast-flowing stream or curling up to the shore in waves. I am mesmerized particularly by waterfalls, small or large. My husband, who enjoys photography as a hobby, has taken pictures of many of the falls we have visited, and they decorate my office as a constant reminder of the power and beauty of God seen through all creation. I even have a crucifix that was designed to show the living water flowing from Christ—a waterfall tumbling down and over the foot of the cross. It is, for me anyway, one of the most powerful images of God that I can imagine.

Throughout the Easter season, the Scriptures present us with stories of resurrection and life. The preaching of the apostles, the abundance of fish caught in a net, the stirring of hearts in those who see and hear Jesus—they all show what it is like to live in “risen time,” in full knowledge and endless presence of the Lord. Today Jesus talks about God’s closeness, power, and promise. The Father has given the sheep to Jesus and no one can take them away. But in the reading from Revelation we have a clearer picture of our life with God: “The Lamb [will] lead them to springs of life-giving water.” In Jesus’ desert environment, this was a powerful image. In our world today it remains compelling. Jesus is the Living Water that brings life to our souls. Whether it flows as a gentle stream, restless wave, or waterfall from the throne of God, it is his gift to us.
